

## tkIS India donates Digital Educational Accessories & Upgraded Library facilities to the Dnyaneshwar Vidyalay in Mumbai

Continuing where it left off in the earlier year, when it had supported Dnyaneshwar Vidyalay School in Wadala, Mumbai with equipment for its Science Laboratory, tkIS India donated Digital Accessories for the Classroom of the School.

The handover meeting of the CSR initiative of thyssenkrupp Industrial Solutions (India) which involved laptop, projector, screen and speakers for the digital classroom, and infrastructure, software and books for the School's Library, was held in July 2018 at the School.

The event commenced with a 'Puja' at the statue of patron Saint Dnyaneshwar, before moving on to the inauguration of the digital classroom and library. Key addresses from **Mr PD Samudra, CEO & MD, Mr Chitre – CFO, tkIS India, Mr PG Waray, ED –NoE tkIS India and Mrs S Samudra, President Rotary Club of Mumbai Mahim**, who were the coordinators for the donations. Key dignitaries at the event were Mr. Jagdish Kotadia, District Secretary and Dr Krishna Kumar, Assistant Governor, Rotary Club.

In his reply, Dr Abdul Razak Khatri, Secretary of the governing trust of the School thanked tkIS India for their support over the last 2 years. 'It is a privilege to be the recipients of their benevolence and support. Their contribution will go a long way in augmenting the efforts of the teaching staff and the trust. We must also thank the Rotary Club of Mumbai Mahim for realising this project for us.'
