

tkIS India upgrades Infrastructural Amenities & donates Computers to the Salaam Baalak Trust in Mumbai

In the metropolitan suburb of Kandivili on the Western Express National Highway of Mumbai, is a small Day Care and Open Night Shelter working assiduously through its Trust to improve the lot of approximately 20 children in the age group 14 to 20 years. It was to this Day Care institution that tkIS India made donations in the form of improved infrastructural amenities and computers in July 2018.

The handover meeting of the CSR initiative of thyssenkrupp Industrial Solutions (India) which involved upgraded kitchen platforms, racks for storage, lockers, shoe racks and computers for the study rooms, was held in mid- July 2018 at the Centre.

The event commenced with the welcoming of the Guests, keynote addresses from Mrs P Jamwal, Salaam Balak Trustee and **Mr PD Samudra, CEO & MD, tkIS India**. Following the handover of the donation agreement, there was an interesting interaction with a set of the residents of the Trust.
