

Mr VK Joshi at Panel Discussion at IIChe event...

Mr VK Joshi, Sr GM & Head– Business Development was part of a Panel Discussion at **ChEMERGENCE 2019**, an event aimed at increasing the interface between academia and the industry organized by Students Chapter of The Indian Institution of Chemical Engineers (IIChe) of Thadomal Shahani Engineering College in Bandra, Mumbai.

The 2-day annual event which attracts considerable interest in both segments featured a number of unique events including Quizzes, Debates, Poster Competitions, HAZOP presentations and practical sessions aimed at demonstrating student skills. As in previous editions, the event met with good support from the industry.

The theme for the Panel Discussion was 'Do Chemical Industries need a Makeover'. Joshi's co-panelists included Mrs. Aparna Khurana, Managing Director of Azelis India Pvt Ltd and Mr. Dhawal Saxena, Associate Director Blast Carboblocks Pvt. Ltd.

VK Joshi is an alumnus of the Thadomal Shahani Engineering College.
