representative

**The Engineering Export Promotion Council of India (EEPC) Western Region** has again selected our company to receive the **Special Trophy for Engineering Process Outsourcing Services in the Medium Enterprise Category for exports in the year 2016 17.**

The nomination will see our company receive the award for a third year in succession, having won the award for the years 2014 15 and 2015 16, as well.

The award will be received at a function planned for Dec 2018.

The EEPC is the leading nodal association in the country for the engineering industry in the country. It functions as the premier trade and investment promotion organisation in India, and is sponsored by the Ministry of Commerce & Industry, Government of India.
