A new safety record of 3.5 million manhours without Lost Time Incident (LTI) has been set at our Indian Oil Corporation BS IV project site at Koyali, Vadodara. The Mechanical Completion of the DHDS Unit of the project was achieved recently, with work on the VGO-HDT section in the final stages of completion. The project is being implemented on EPCM basis as part of the customer's mandate under the GOI's Auto Fuel Vision & Policy.

The Safety Acknowledgement Certificate was handed over by Mr. Arun Kumar – General Manager Projects (IOCL) to **Mr. Nilesh Chitre (CFO & ED) and Mrs. Mandakini Paul (Sr. VP & Head - Pune Ops)**, in presence of Mr. Y. M. Parmar (DGM-PJ, IOCL), Mr. S. S. Soni (PJM-IOCL), **Mr. E. S. Anil Kumar (Sr. GM- Head Implementation, Sales-Pune)**, Mr. Vijay Kulkarni (Project Manager) & Mr. Kuldeep Sharma (Site Manager).

Our congratulations to the Site Teams & Project Task Force!
