

tkIS India at PPMAI Annual General Meeting 2019

thyssenkrupp Industrial Solutions (India)'s team participated in the Process Plant & Machinery Association of India (PPMAI) 55th Annual General Meeting held in Mumbai recently.

Mr PD Samudra, our CEO & MD was part of the interactive Panel Discussion of the 'Challenges and Opportunities for Chemical Process Plants, in a forum that also included many leading lights from the industry.

Mr V Madhavan, Vice-President Project Execution was elected Director on the Board of PPMAI for a second consecutive year.

PPMAI also felicitated us for The Special Trophy for Excellence in Engineering Process Outsourcing Services Award which was conferred on us by the Engineering Export Promotion Council of India (EEPC) in recognition of export performance in the year 2016-17.
